Message from the President

Where Does The Responsibility Stop?

War regularly occurs at very short notice - which is not all that surprising considering Albert Einstein's wise words: "Only two things are infinite, the universe and human stupidity, and I am not sure about the former."

It is also a fact that some of the most stupid people throughout history have also been those responsible for some of the most terrible wars - leaders driven by insatiable greed and lust for power!

What's New

This new letter.

The purpose of this newsletter is to grow South-Africa's EW community as well as to provide relevant and interesting information.

To get the ball rolling for the first issue, I concentrated on events in the R&D domain, but I would like to invite contributions in order to make this worthwhile.

Contributions can be sent to [Christo Cloete](#) for inclusion in follow-up newsletters.
